Important Note:

- Check points and general advisory relating to the enrolment of the applicant farmers have been mentioned in the last page of this document. The applicant farmers are advised to go through the same.

Disclaimer :

1. This document is only a farmer's registration acknowledgement receipt; coverage under procurement process will be subject to the **verification and** scrutiny of necessary documents submitted by such farmer and applicability of relevant provisions **thereon** as per the operational Guidelines of the scheme.
2. This acknowledgement receipt is issued through this platform on the basis of the details provided by the farmer during the registration , final approval shall be subject to the verification process.

Enrollment Check Points & General Advisory :

- i. The applicant farmer is advised to cross-check the information entered by the PACS/FPO/intermediary on receiving the acknowledgement receipt. Important details like land details, bank account number may be checked at the time of enrolment. It shall be the responsibility of the applicant farmer to ensure the correctness of the information and details provided.
- ii. The Center (PACS/FPOs) shall ensure timely updates of farmer registration, land record, crop record, bank details, purchase of lots, rejected lots and assaying record maintenance at the center
- iii. Incorrect information/documents or mismatch between information entered on the portal with details mentioned in the submitted documents could lead to the rejection of applications. **The registering authority shall not be responsible for such rejection.**
- iv. Any deficiency in the information provided shall be informed through SMSs on the registered mobile number
- v. In case the previous season data is to be carried forward into the new season, Center (PACS/FPOs) will be responsible for revalidation of all the farmer registration data including bank details, ID proof and land and crop records. Center may decide to call farmers for revalidation of individual farmer's data.
- vi. Any modification to the data entered for an already existing farmer shall have to be approved by the SLS / DMO. It is mandatory to go through a four-eye check for the changes to reflect in the NAFED e-Samridhi portal.
- vii. In case any modification is required at a later date, Centre will have to request SLS/ DMO by uploading the new supporting documents, through NAFED e-Samridhi system to approve the modification. Unless approved by SLS/ DMO, modification will not take effect.
- viii. In case of rectification after rejection new acknowledgement receipt shall be issued.

- ix. The authenticity of the receipt can also be verified by scanning the QR code printed above on page 1 of this acknowledgement receipt. The applicant farmer is advised to scan the QR code and check the reflected on scanning. **If any discrepancy appears, the concerned applicant farmer is advised to report to the PACS/FPO /intermediary immediately for rectification of any error observed.**
- x. No processing fee is mandated for farmer applicants, whether through **online or offline channels** and any request for such a fee should be promptly reported. For administrative grievances, please contact us via email at procurement@nafed-india.com, and for technical issues, reach us at itsection@nafed-india.com.
- xi. The applicant farmer can track the status of his application by logging onto the portal link <https://esamridhi.in>
